NFA - Executive Skills Series: Exercising Leadership to Facilitate Adaptive Change

Course Description:

This 2 Day Course is to provide skills which individuals in positions of authority can use to exercise leadership when confronted with adaptive challenges. The goal of this course is for the participant to develop an understanding of skills associated with exercising leadership to resolve adaptive problems, problems where the solution is either unknown or requires significant change, or both.

NOTE: Participants must be minimally assigned to supervisory level position, e.g. company officer.

Student Responsibilities:

Course materials will be provided to registered students at the beginning of class. 100% attendance and participation is required. The student or his/her sponsoring agency is responsible for all costs for transportation, food and lodging.

Please fill out the registration form and email it or fax a copy to (907) 451-8998.

Registration Deadline: March 15, 2014
